**English** - Advanced

# Felipe Delgado Duarte

## Full-stack developer

I graduated in physical education and transitioned to IT a year ago. I am seeking an opportunity to apply my skills for the company's growth and team success.

## Professional Experience

- **Andrade & Magnus LTDA - Dec 2023 / Currently**  
Front-end developer  
Develop the application frontend used by the company's supporters, adding features and updating functions as per the team's demands. I primarily use React with Next.js, along with other libraries.
- **ReSource - Jul 2023 / Currently**  
Front-end developer  
Create the landing page, serving as a showcase for services and the users' first point of contact with the company. Using software as a service, I provide an engaging and updated experience for users.
- **SESI - Dec 2019 / Sep 2020**  
Workplace fitness instructor  
Use creativity daily to design playful activities aimed at reducing fatigue and stress among supporters, motivating them during intense physical training to enhance their strength and coordination.
- **Beneficent Association of Retirees and Pensioners - Mar 2016 / Jan 2018**  
Fitness trainer  
Lead senior citizen groups during physical activity sessions to improve their autonomy. I promote teamwork through games and activities, stimulating social interaction and creativity.

## Main Projects

**Football Manager: Full-stack project for football scores and matches.**  
Docker - Node.js - Typescript - MySQL - POO - React

**Trybe News: Front-end application for Brazilian news.**
